

Stock Number Defense Property Accountability System (DPAS) Warehousing Application

United States Marine Corps
Individual Issue and Unit Issue Facility
(IIF and UIF)

Implementation Training Course

William V. Richardson Jr. and John T. Barrera

Purpose

- Used to create, update and delete Stock Numbers.

Background

- Use to identify the types of items stocked.
- Recommended using National Stock Numbers (NSNs).
- Allows for the local creations of established Management Control Numbers (MCNs) or use of manufacturer's part numbers.

Situation

The Warehouse Officer has directed you to create a local Management Control Stock Number.
